

MargoShineTM

Neem Oil 70% EC

MargoShine is a natural, broad-spectrum botanical insecticide, acaricide, and fungicide derived from the seeds of the Neem tree (*Azadirachta indica*). It acts as an antifeedant, repellent, oviposition deterrent, and insect growth regulator. Neem oil interferes with the hormonal balance of pests, preventing molting, feeding, and reproduction. Safe for beneficial insects, it provides effective pest management for sustainable and organic farming systems.

Product Overview

Active Ingredients

Neem Oil 70% EC

Formulation Type

Emulsifiable Concentrate (EC)

Application Guidelines

| Dosage (per acre) | Dilution |
|-------------------|------------|
| 250 - 300 ml | 3 - 5 ml/L |

Pests Controlled

Aphids, Whiteflies, Thrips, Mites, Caterpillars, Fruit borers, Mealybugs, Leaf miners

Key Benefits

- 100% natural and biodegradable insecticide.
- Multi-mode action ensures long-lasting control.
- Safe for beneficial insects like honeybees and pollinators.
- No chemical residues on crops.
- Enhances overall plant health and vigor.
- Ideal for IPM and organic farming systems.

Use Sites

Nurseries

Gardening

Greenhouse

Turf

Agriculture

Horticulture

Forestry
