Orgocare™

Kriya™

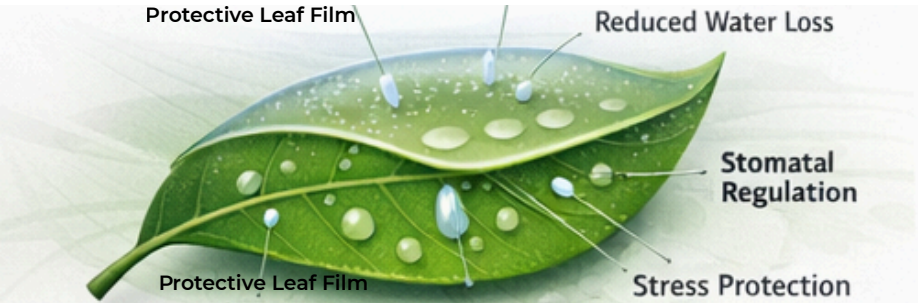
Anti-Transpirant / Stress Protection Adjuvant

Product Specification	**: Anti-Transpirant**
Function	**: Stress Protection Adjuvant**
Botanical Source	**: Vegetable Fatty Acid Compound**
Mode of Use	**: Foliar application for plant stress protection**

PRODUCT DESCRIPTION

Orgocare™ is a plant-based adjuvant formulated with vegetable fatty acid compounds designed to reduce excessive transpiration and protect plants from environmental stress conditions. When applied to crop foliage, Orgocare" forms a thin protective film on leaf surfaces that helps regulate water loss, stomatal function, and improve plant resilience under drought, heat, or transplant stress.

MECHANISM OF ACTION

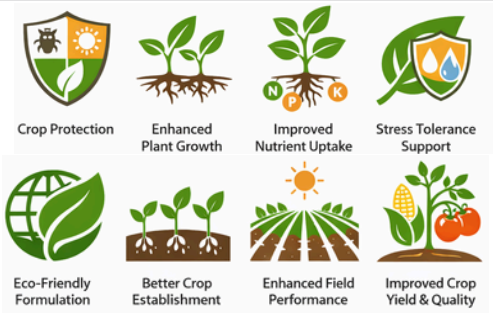


APPLICATION & DOSAGE

Foliar Spray	1 liter per acre
Stress Protection Spray	5 mL per litre
Repeat Application	Every 15-20 days

TARGET CROPS: Designed for all crops to provide tolerance to stress, stronger plants, higher productivity, better quality produce, and sustainable agricultural practices.

KEY BENEFITS



TECHNICAL SPECIFICATIONS

Parameter	Specification
Product Description	Stress Protection Adjuvant
Formulation Type	Soluble Liquid (SL)
Appearance	Milky White Colour
Solubility	Completely soluble in water
pH	6.5
Shelf Life	24 months under recommended storage

STORAGE & HANDLING

- Store in a cool, dry place
- Keep container sealed after use
- Protect from direct Sunlight and Moisture
- Avoid contact with Chemicals

SAFETY INFORMATION

- Wear gloves and mask during application
- Wash hands after use
- Avoid inhaling dust during handling
- Keep out of reach of children
