

# Cropsia™

*Adhatoda vasica extract*

Cropsia is a natural plant-boosting biostimulant formulated from moringa and Adhatoda vasica extracts. Rich in phyto-compounds, antioxidants, and natural plant-enhancing metabolites, Cropsia supports vigorous growth, improved nutrient metabolism, and enhanced tolerance to environmental stress. By strengthening plant vitality and physiological balance, Cropsia helps crops perform better under diverse growing conditions.

## Product Overview

### Active Ingredients

Adhatoda vasica Extract

### Formulation Type

Soluble Liquid (SL)

## Application Guidelines

### Dosage (per acre)

250 – 750 ml

### Dilution

3 - 4 mL/L

## Product Highlights

- Plant growth enhancement
- Stress support and improved vigor
- Enhanced nutrient use efficiency

## Key Benefits

- Boosts crop performance and resilience under stress conditions.
- Supports strong plant growth and productivity during environmental stress.
- Enhances crop vigor and tolerance to abiotic stress factors.
- Improves plant strength, health, and performance under challenging conditions.
- Helps crops maintain growth and yield when exposed to stress.

### Use Sites

Nurseries

Gardening

Greenhouse

Turf

Agriculture

Horticulture

Forestry

Hydroponics

Chemigation

Soil Drench

## Shelf Life & Storage

24 months from manufacturing date. Store in a cool, dry, well-ventilated.

## Ideal Spray Interval

12 to 15 Days depending on the pest incidence.

## Re-Entry & Pre-Harvest Intervals

REI: 0 Hours | PHI: 0 days (Harvest can be carried out immediately after application).

## Safety & Handling

Safe for humans, & beneficial organisms.

Wear protective gloves & mask.

Avoid contact with eyes & skin.

Wash equipment & hands after use.
